What is this type of insurance?

Pet insurance primarily helps cover veterinary treatment costs to keep your pet healthy, along with additional coverages such as loss of pet and third party liability (only for dogs). Our Reinstatement policy has an annual vet fee limit for each condition which refreshes on renewal. There is no limit on the number of conditions. This can be a good option if you worry about your pet developing a long-term or recurring illness.

What is insured?

- ✓ Cover for veterinary treatment up to an Annual Benefit Limit (inclusive of excess payments made by you) for each unrelated condition. This is a selectable limit which refreshes at renewal.
- ✓ If your pet passes away due to accident or illness, we will pay a percentage of the price you paid up to an Annual Benefit Limit of £1,000.
- ✓ If your pet is lost due to theft or straying, we will pay a percentage of the price you paid up to an Annual Benefit Limit of £1,000.
- ✓ If your pet is lost, we will also pay for advertising and reward costs up to an Annual Benefit Limit of £200.
- ✓ Cover for legal claims against you or your dog up to £2,000,000 for an incident involving your dog.

Optional covers available:

- Cover up to £500 for Take-Home Medication, Complementary Treatments and Corrective Behavioural Treatments.
- Cover up to £1,000 for dental or gum treatment caused by illness.
- Cover up to £1,000 for a dog walker and emergency kennel/cattery boarding when you are incapacitated in hospital and can't arrange with family and friends.
- Cover up to £1,000 for emergency vet treatments while on holiday outside of the UK and cost of travel arrangement cancellations due to your pet needing immediate life-saving surgery.

Please refer to your policy wording and Certificate of Insurance for more information.
